**FOR SECOND STRAIGHT YEAR, TIBER HUDSON NAMED
NO. 1 UNDERWRITER'S COUNSEL IN THE U.S.
FOR MULTI-FAMILY BOND ISSUES BY THOMSON REUTERS**

WASHINGTON, D.C. — Following up on an incredibly successful first full year, law firm Tiber Hudson LLC has again been named the No. 1 underwriter's counsel in the nation by Thomson Reuters, based on the number of multi-family bond issues completed in 2019. Tiber Hudson also topped the field in 2018.

According to Thomson Reuters' year-end multi-family market analysis for 2019, Tiber Hudson ranked first nationally in the role of underwriter's counsel and bond purchaser's counsel for number of multi-family bond issues, serving as counsel for 100 publicly offered bond transactions totaling more than \$1.9 billion in aggregate principal amount. Both figures represent significant increases over Tiber Hudson's 2018 totals of 58 transactions and more than \$1 billion in aggregate principal amount. Tiber Hudson captured nearly 40% of the multi-family housing market in 2019, and completed three times as many transactions as the next firm on Thomson Reuters' list. Thomson Reuters, the world's leading source of intelligent information for businesses and professionals, periodically ranks law firms in a variety of categories.

"We are sincerely grateful for the enthusiastic support that we have received from our incredible clients and the industry as a whole," noted founding member Kent Neumann. "We are proud to have exceeded our goals for 2019, while expanding our firm into Maryland with the addition of partners Krista North, Matthew Grant and Rob Kearbey, whose practices are focused in the areas of lender's counsel and equity counsel. This coming year, we look forward to building on our successes and providing innovation and leadership to the multi-family housing industry."

Beyond the multi-family sector, Tiber Hudson ranked among the top 10 law firms for all types of municipal issues based on the number of deals completed in 2019, according to Thomson Reuters.

Founded in 2017, Tiber Hudson provides legal services in all aspects of tax-exempt and taxable debt financings for multi-family housing and healthcare facilities around the country. The boutique law firm continues to distinguish itself as a leader in the affordable housing industry with offices in Washington, D.C.; New York, N.Y.; Charleston, S.C.; and Baltimore, Md.
