**TIBER HUDSON RANKED NO. 1 OVERALL UNDERWRITER'S COUNSEL IN THE U.S.
AND FOR THE SEVENTH CONSECUTIVE YEAR
NO. 1 UNDERWRITER'S COUNSEL IN THE U.S. FOR MULTIFAMILY BOND ISSUES**

WASHINGTON, D.C. —Tiber Hudson LLC has been ranked by Refinitiv as No. 1 underwriter's counsel for multifamily issues for the seventh year in a row, and, for the first time, No. 1 underwriter's counsel in the U.S. for all types of municipal issues, based on the number of bond issues closed in 2024. Tiber Hudson has topped the multifamily list every year since its first full year of operation in 2018, but this is the first year that it has been ranked the top underwriter's counsel for all types of municipal issues.

Refinitiv, one of the world's largest providers of financial markets data, regularly ranks law firms in a variety of categories. According to Refinitiv's year-end market analysis, Tiber Hudson served as underwriter's counsel and bond purchaser's counsel for more than 250 issues that closed in 2024, totaling nearly \$6.3 billion and providing housing for families in virtually every state. Tiber Hudson closed more than half of all multifamily affordable housing issuances reported in 2024; these bond issues will in turn contribute to the construction or rehabilitation of more than 35,000 affordable housing units across the country.

"I've seen how effectively the public and private sectors collaborate to bring quality, attainable homes to communities," said Lauren Lyon, an attorney at Tiber Hudson with 15 years of experience in affordable housing, "and the past four years at Tiber Hudson have been especially meaningful. We're delighted that we've been able to assist with such a high volume of closings nationwide, spanning every kind of financing structure, while also pioneering innovative new finance and tax strategies to make these projects possible."

"We are humbled and immensely proud to see our team's dedication reflected in these rankings," said Don Davis, a retired Air Force JAG Corps officer who has been an attorney with the firm for five years. "But the greatest reward lies in working alongside such a passionate, talented group of professionals — within our firm and in the broader affordable housing community — to expand access to such a fundamental and scarce resource. It is profoundly fulfilling to contribute to a mission that touches so many lives."

Founded in 2017, Tiber Hudson provides legal services in all aspects of tax-exempt and taxable debt financings for multifamily housing and healthcare facilities around the country. The boutique law firm continues to distinguish itself as a leader in the affordable housing industry with offices in Washington, D.C.; New York, N.Y.; Charleston, S.C.; Baltimore, Md.; and Knoxville, Tenn.
